

## Cascade Media Convergence Final Plenary Notes

Next steps/agreements/priorities:

### CONTENT SHARING:

- online calendar of cascade media happenings
- coordinated presentation of cascade media resource sharing--whos where with what doing what
- use CMC website as beginning hub for this

### CAMPAIGN SUPPORT:

- Crowdsource information/content on gentrification project
- Homeless Bill of Rights (Dec 22) needs advanced media training, publicity, youtube channel, archive, graphic design

### INSTITUTIONAL CONNECTIONS:

- Funnel media needs/organizations to directly connect with student projects
- Access to university tools and trainings/track for empowerment workshops for university folks
- Platform for distributing/highlighting information from local media orgs via online university presence

### RESOURCE NETWORK:

- general skills share needs: syndication, remote broadcasting, graphic design, archiving
- ongoing benefit show structure to support/raise awareness about a different group
- a list of resources and organizations doing media work in Cascadia (build off of CMC list)

### VIDEO:

- video mentorship program (sound and tech mentorship as well)
- committed video production group

### RADIO:

- a network of radio stations
- content sharing --start with Radio for All to upload shows to share
- support KBOO news tip resource
